OFFICE OF LEGISLATIVE COUNSEL

Saturday - 7 March 1964

1. [] Talked with John Martini, on the staff of House Post Office and Civil Service Committee, advising him of my discussion the previous day with Representative Morrison with respect to an amendment to the Executive Pay bill concerning the Director and Deputy Director. I informed him further of my discussion with Mr. Olsen. Martini assured me he had been present when Charles Johnson, the Staff Director, discussed this with Mr. Murray and has assured us there is no necessity for the Agency to meet with Chairman Murray. It was his suggestion that in view of Udall's interest in the bill it would be desirable to meet with Udall. They are to keep us advised of any developments.

2. [] Talked with Senator Dodd advising him the subpoena had been delivered to [] who indicated he could not make it on 11 March because of his own illness and the illness of his wife but held the door open for another date. Dodd's first reaction was to query me as to what should be done. I indicated that it was, of course, up to the Committee but possibly Dodd or Sourwine should be in direct touch with the individual. Dodd then stated he would discuss this with Eastland and be in touch with us again indicating that it was of little concern to him whether the man appeared or not.

I also inquired of Senator Dodd if he had any thoughts for our response to HCUA who asked for [] address in order to serve a subpoena. Dodd had no good suggestions but did offer to call Chairman Willis. This offer I accepted and Dodd will advise the results.
